Doha Primary Choir Of The Year Competition

On March the 14th students from Years 2 ,1 and 3 went to the Shangri-La hotel to compete in the Doha Primary Choir of the Year Competition. We had been rehearsing all term and were extremely excited to perform. Accompanied by Ryan Sullivan, the GES Secondary Music teacher, we performed two songs – Mi Caballio and Mango Walk. After a long day of rehearsal and travelling our performers were able to sing with enthusiasm and won the hearts of the judges, with our second piece being marked highly, especially for singers of such young age. One judge said that Rainbow Choir's singing 'filled my heart with joy', which is fantastic feedback. Unfortunately we did not progress through to the next round – the experienced choirs from Doha College and Doha English Speaking School are progressing through to the next round. I would like to personally thank all the parents and staff who supported us on this journey, and we are looking forward to performing with even more students from GES in the School Music Concert on the 6th of April.

Reading All Over The World

As part of our 'Reading All Over the World' month, pupils have been visiting each other's classes to read together and share a story. Both students and teachers have enjoyed these experiences as classes from Infants, Juniors and Secondary have mixed and bonded over the common shared theme of reading. This initiative has been so successful and well received that we hope to make it a more regular event, and not just during Reading month.

This Thursday 16th March sees our 'Reading All Over the World' month draw to a close. This means we have just a few days to try and reach our goal of a Million Minutes of Reading across all three schools. We will announce the final total during our assembly and will inform parents at the first opportunity. The students have been wonderful throughout and are very excited to find out if we have achieved our goal.

Meantime, here are some results of the dress-up-as-a character-competition which took place recently:-
